# TENNENT'S TANK LAGER

Made with 100% Scottish Barley and the finest hops and water from Loch Katrine, Tennent's Tank Lager is the same great brew they've made for generations at Wellpark, it's just they've skipped the bit where they keg, can or bottle it.

Instead, Tennent's are delivering it direct to us, unpasteurised and brewery-fresh, maturing right up to the moment it hits your glass.

In short, fewer steps equals more great Tennent's Lager taste!
